

MUNICIPALITY OF CALAUAN ASSESSOR'S OFFICE

**CITIZEN'S CHARTER
2025**

I. Mandate:

The office is responsible for the appraisal and assessment of real properties within the political jurisdiction of the local government unit the office shall perform the following duties provided under Book II of R.A 7160, The Local Government Code of 1991, which are:

- Ensure that all laws and policies governing appraisal and assessment of real properties for taxation purposes are properly executed;
- Initiate, review and recommend changes in policies and objectives, plans and programs, techniques, procedures and practices in the valuation and assessment of real properties for taxation purposes;
- Establish a systematic method of real property assessment;
- Install and maintain a real property identification and accounting system;
- Prepare, install and maintain a system of tax mapping, showing graphically of all property subject to assessment and gather all data concerning the same;
- Conduct frequent physical surveys to verify and determine whether all real properties within the municipality are properly listed in the assessment rolls;
- Exercise the functions of appraisal and assessment primarily for taxation purposes of all real properties within the jurisdiction of the City/Municipal;
- Prepare a schedule of the fair market value for the different classes of real properties, in accordance with Title Two under Book II of the Code (RA 7160);
- Issue upon request of any interested party, other records relative to its assessment, upon payment of a charge or fee to the City/Municipal Assessor;
- Submission of semestral report of assessed property, as well as cancellations and modifications of assessment to the City/ Municipal Mayor and the Sangguniang Panlungsod/Bayan; and
- Exercise such other powers and perform such other duties and functions as may be prescribed by law or ordinance.

II Vision:

The Municipal Assessor's Office, as a partner in the transformation of Calauan into financially self-sustaining local government unit shall;

Discover, list, appraise and assess all real property situated within the jurisdiction of Calauan in accordance with existing assessment rules and regulation, maintain systematic and effective accounting and inventory of real property unit through computerized RPTA System.

III Mission:

Fair and updated appraisal of all real property for assessment purposes, with laws and policies pertaining thereto properly executed.

IV. Service Pledge:

R – Reliability, dependability, in workforce and assessment records

P – Perseverance, devotion and dedication to duty

A – Accountability, responsible and liable for results and actions

T – Teamwork, the important role and cooperative action of everyone

S – Service excellence with integrity and professionalism

SERVICE CLASSIFICATION

Above-mentioned transactions may be classified as simple, complex, and highly technical, depending on the number, property size and kind, and other considerations, as required by circumstances, considering that it involves real property ownership for taxation purposes, and not just an ordinary permit.

In particular, **SIMPLE TRANSACTIONS** are property-related transactions such as certified copy or certification that is not in any way involve a very large area, nor necessitates inspection, or an extensive examination and research, and are not in any way involved in duplication, overlapping, multiple claimants and such other land disputes/issues.

COMPLEX TRANSACTIONS are transactions that necessitates inspection, further evaluation and revalidation in order to resolve not to mention the area/size, bulk of transaction and other issues.

HIGHLY TECHNICAL on the other hand, involves transactions that necessitate furthermore evaluation and research in order to resolve, such complicated issues as duplication, overlapping, multiple claimants and such other land disputes/issues.

1.0 REQUEST FOR ISSUANCE OF NEW TAX DECLARATION

Tax Declaration is a document that reflects the value of real property (Land, building/Improvement or Machinery) for purposes of Real Property Tax, assessed against the owner/taxable person or entity, as authorized under the Local Government Code (RA 7160)

The Owner's Copy of a tax declaration is issued upon registration of transfer of ownership of real property from the previous owner to a new owner, or upon declaration of new building or improvement and machinery. Under existing laws, **it is duty of all the property owners to declare the same with the Municipal Assessor's Office within a period of sixty (60) days from the issuance of its Transfer Certificate of Title (TCT).**

Tax Declaration can also be issued for other transactions such as;

- (i) Segregation /Consolidation
- (ii) New Assessments
- (iii) Reassessments/Reclassifications
- (iv) Revision of values (per existing Ordinances)
- (v) Correction of Entry/Entries
- (vi) Annotations, etc. as maybe necessary

1.1 Transfer of Ownership of Tax Declaration

SEC.208 of the Local Government Code otherwise known as Republic act 7160 - Notification of Real Property Ownership - Any person who shall transfer real property ownership to another shall notify the provincial, city or municipal assessor concerned within sixty (60) days from the date of such transfer. The notification shall include the mode of transfer, the description of property alienated and the name and address of the transferee. In compliance, of a particular real property from previous owner to a new owner, based on Land Title and other Legal Documents submitted, certifying ownership over a property, whether land, building or machinery. Transfer of ownership can also be done as a result of subdivision or consolidation of a property, based similarly on legal documents submitted.
