8. At least 2 copies of project description for projects having an area of 1 hectare	Requesting person
10. Plans, specifications, bills of materials and cost estimates duly signed and sealed by the appropriate licensed professionals.	Designing officials hired by the Applicant
11. Application for permit to drill from the National Water Resources Board (NWRB).	NWRB
12. Traffic impact assessment (TIA) for subdivision projects 30 hectares and above.	Designing officials hired by the Applicant
13. Copy of the special/temporary permit from the Professional Regulation Commission (PRC) and of the separate permit from the Department of Labor and Employment (DOLE) for foreign architects who signed on plans required under the Implementing Rules and Regulations of PD 957. (per Board Res. No. 839, series of 2009)	PRC/ DOLE
14. List of names of duly licensed professionals who signed the plans and other similar documents in connection with application	Designing officials hired by the Applicant
Application of Development Permit for Memorial Park/Cemetery	
1. Site development plan/scheme	Designing officials hired by the Applicant
2. Vicinity map/location map duly signed by a geodetic engineer	Licensed Geodetic Engineer
3. Topographic plan duly signed by a geodetic engineer	Licensed Geodetic Engineer
4. Zoning certification issued by the HLURB or city/municipality concerned	HLURB
5. Certified true copy (CTC) of Environmental Compliance Certificate (ECC) or Certificate of Non-Coverage (CNC) duly issued by the DENR	DENR

6. Zoning certification issued by the HLURB Regional Officer be submitted indicating that the project site is within the area zoned for urban use (i.e. other than agricultural) prior to June 1988.	HLURB
7. Certified True Copy of title and survey plan	Requesting person and Designing officials hired by the Applicant
8. Final memorial park/cemetery plan	Designing officials hired by the Applicant
9. Engineering plans duly signed and sealed by a licensed civil engineer	Designing officials hired by the Applicant
10. Storm drainage duly signed and sealed by a licensed sanitary engineer	Designing officials hired by the Applicant
11. Centralized or combined storm and sewer system duly signed and sealed by a licensed sanitary engineer	Designing officials hired by the Applicant
12. Site grading plan duly signed and sealed by a licensed civil engineer	Designing officials hired by the Applicant
13. Electrical plan and specifications	Designing officials hired by the Applicant
14. Landscaping plan	Designing officials hired by the Applicant
15. Summary of project study indicating market, source/s of fund, statement of income, cash flow and work program	Designing officials hired by the Applicant
16. CTC of title or other evidence of ownership or intent to sell and authority to develop signed by the owner, tax declaration and current real estate tax receipt	Requesting person
17. Clearances/permits/certifications from other agencies applicable to the project	Requesting person
18. Joint affidavit of owner/developer and licensed environmental planner that the memorial park/cemetery plan conforms to the standards and requirements of HLURB rules	Designing officials hired by the Applicant
19. List of names of duly licensed professional who signed the plans and other similar documents in connection with the application filed with HLURB	Designing officials hired by the Applicant
Application of Development Permit (Other Development projects)	
1. Site development plan/scheme	Designing officials hired by the Applicant
2. Vicinity map/location map/ survey plan duly signed by a geodetic engineer	Designing officials hired by the Applicant
3. Topographic plan	Designing officials hired by the Applicant
4. Certified True Copies of Titles and Current Tax Receipt	RD/ MTO
5. Certified true copy (CTC) of Environmental Compliance Certificate (ECC) or Certificate of Non-Coverage (CNC) duly issued by the DENR	DENR

6. Right to Use or Deed of Sale of Right of Way for access road and other utilities	Requesting person
7. Civil and Sanitary Works Design	Designing officials hired by the Applicant
8. Water System Layout and details	Designing officials hired by the Applicant
9. Certified True copies of Tax Declaration of the property	MAO
10. DAR Conversion order	DAR
11. Plans specifications, Bill of Materials and Cost Estimates	Designing officials hired by the Applicant
12. Environmental Impact Study (EIS)/ Environmental Impact Assessment (EIA)	DENR
13. Engineering Geological and Geohazard Assessment Report	DENR
14. Laguna Lake Development Authority (LLDA) Clearance	LLDA
15. Application for permit to drill from the National Water Resources Board (NWRB).	NWRB
16. Traffic Impact Assessment Study	Designing officials hired by the Applicant
17. Water Enhancement/ Management Design Plan in compliance with Executive Order No. 115 series of 2025	Designing officials hired by the Applicant
18. List of names duly licensed professionals who signed the plans	Designing officials hired by the Applicant

CLIENT STEPS	AGENCY ACTION	FEES TO BE PAID	PROCESSING TIME	PERSON RESPONSIBLE
1. Submit the notarized application form and all the required documents	Receive the application form and required documents	None	30 minutes	Zoning Officer III/ MPDC Staff
